

## 123 VC: Jazzing Up Your Curriculum with Videoconferencing (aka The Jazz Project)

*July 31-August 4, 2006*

[www.thejazzproject.org](http://www.thejazzproject.org)

### **Description:**

Videoconference (VC) connections between classes open up a whole new world of collaborative learning for students! Immerse yourself in videoconferencing communication. Come learn about structures/templates for projects with other classes and other educational uses of videoconferencing. This class is team taught with VC colleagues in Ohio, New York, Missouri, Michigan, and Texas. Team up with another teacher to create a VC project for next year. Along the way, learn about and use other collaborative technologies such as blogs & wikis.
